FAZAL ALI KHAN

SENIOR DEVELOPMENT MANAGEMENT, MONITORING & EVALUATION SPECIALIST

Driving impactful multi-sectoral development programs through strategic management, monitoring, evaluation, and results-based leadership.

PROFESSIONAL EXPERIENCE

Team Lead – Portfolio Assessment — AKRSP/PATRIP *Nov 2025 – Dec 2025*
Led a mixed-methods, decade-long portfolio assessment of PATRIP-funded infrastructure and tourism interventions in Pakistan’s remote high-altitude border region of Broghil Valley, Chitral. The study examined road connectivity, basic services, livelihoods, and tourism, generating context-specific evidence on access, income diversification, and resilience to inform inclusive and sustainable infrastructure programming.

Team Lead – Endline Study of Advancing Gender Equality through Civil Society (AGECS) Project — AKRSP *Aug 2025 – Oct 2025*
Led the mixed methods endline assessment of the Global Affairs Canda funded AGECS project of AKRSP. The study examined implementing partner CSOs’ capacity, women’s leadership, and community responses to gender-based violence in Gilgit-Baltistan and Chitral. Developed practical recommendations to strengthen institutional support systems and sustain progress on gender equality.

Proposal Development Consultant — BRAVE Programme (IOM/FCDO Call), TRDP *Jun 2025 – Aug 2025*
Developed a submission-ready proposal in response to IOM’s FCDO-funded Building Resilience & Address Vulnerabilities in Emergencies (BRAVE) Programme Call in Pakistan. Reviewed call guidelines, facilitated strategic planning sessions with TRDP teams, and formulated innovative, context-appropriate intervention strategies focused on resilience and emergency preparedness.

Evaluation Support Consultant — Ex-Post Evaluation of the SUCCESS Programme, RSPN *Apr 2025 – May 2025*
Supported the EU-funded ex-post evaluation conducted by Oxford Policy Management. Coordinated document submissions, reviewed evaluation deliverables, prepared high-level interview inputs, and ensured timely, quality engagement between RSPN and the evaluation team.

Project Design Consultant — *Thardeep Rural Development Programme (TRDP)*

Mar 2025 – Apr 2025

Developed a submission-ready concept note under the EU call on gender equality and youth empowerment. Ensured strategic alignment, contextual relevance, and integration of gender, risk, and sustainability components through consultative and evidence-based design.

Team Lead – Impact Assessment of Community Investment Fund (CIF) — *Sindh Rural Support Organisation*

Mar 2025 – Jul 2025

Led the impact assessment of CIF interventions focused on financial inclusion, income improvement, and women’s economic empowerment. Managed data collection, analysis, and stakeholder engagement, and provided strategic recommendations for programme refinement.

ADDITIONAL WORK HISTORY

FLAGSHIP PROJECTS

M&E Expert – Three Delays Model for EmONC Access, RSPN (RAF/British Council)

Oct 2010 – Oct 2013 | Pakistan

M&E Expert – Three Delays Model for EmONC Access, RSPN (RAF/British Council)
Tested the effectiveness of community-based and facility-level interventions addressing barriers to emergency maternal and neonatal care. Supported quasi-experimental study and contributed to policy dialogue.

Team Leader – Climate Change Adaptation Research, RSPN/ISET (IDRC)

Aug 2011 – Jan 2013 | Indus Basin, Pakistan

Team Leader – Climate Change Adaptation Research, RSPN/ISET (IDRC)
Led a research initiative to understand vulnerability and build resilience in post-flood areas. Produced actionable insights to inform climate-responsive reconstruction and adaptation strategies.

Research on Community Spaces and Health Promotion, RSPN (RAF/British Council)

Aug 2011 – Jan 2013 | Indus Basin, Pakistan

Led qualitative research examining how formal and informal spaces impact maternal and child health access among poor communities. Delivered evidence-based recommendations to improve MNCH outreach and inclusivity.

Himalica Programme – Climate Change Adaptation in HKH Region (EU/ICIMOD)

Aug 2011 – Jan 2013 | Indus Basin, Pakistan

Managed cross-border climate resilience initiatives focusing on livelihoods, adaptation strategies, and knowledge sharing in high mountain regions.
